OLD GROUP LEVEL	NEW GROUP LEVEL	INDIVIDUAL RATING	CHARACTERISTICS
Beginner 1	1	1.0	This player has no tennis experience or is just starting to play tennis.
	2	1.5	This player has had limited experience with stroke development and is still working on getting the ball into play. This player is not yet ready to rally and play points consistently. Needs footwork, co-ordination and judgement improvement.
Beginner 2		2.0	This player needs on-court experience with an emphasis on playing. This player struggles to find an appropriate contact point, needs stroke development/lessons and is not yet familiar with basic positions for singles and doubles.
	3	2.5	This player is learning to judge the contact point and appropriate stance and choice of shot. Movement to the ball and recovery are still inefficient. Can sustain a baseline rally of slow pace with players of similar ability but not with optimal technique and is beginning to develop stroke patterns. This player is becoming more familiar with the basic positions for singles and doubles, and is ready to play social matches, leagues and low-level tournaments. Potential Limitations: grip weaknesses, limited swing and inconsistent toss on serve, limited transitions to the net
Intermediate 1	4	3.0	This player is fairly consistent when hitting a medium-paced shot, but is not comfortable with all strokes and lacks accuracy when trying for directional control, depth, pace or altering distance of shots. Potential Limitations: inconsistency when applying or handling pace; difficulty handling shots outside of their strike zone; can be uncomfortable at the net
		3.5	This player has achieved stroke dependability with directional control on moderate shots, but lacks depth, variety and the ability to alter shot distance. The effective use of lobs, overheads, approach shots and volleys are limited. This player is more comfortable at the net and has improved court awareness and is starting to develop doubles teamwork. Potential strengths: can generally rally from the baseline opposite a net player. Players at this level may start to utilize mental skills related to concentration, tactics and strategy.
